

PRESS RELEASE

MARZOCCHI POMPE RESUMES FULL OPERATION

CLARIFICATION ON DIVIDEND PAYMENT AS FROM 6 MAY

Bologna, 30 April 2020 - Marzocchi Pompe S.p.A. (AIM:MARP), a leading company in the design, production and marketing of high performance gear pumps and motors, announces that starting from Monday, May 4, 2020 the Company will resume full operations in its plants in Casalecchio di Reno and Zola Predosa, as its Ateco code is among those of companies whose production is no longer suspended (Annex 3 of the Prime Ministerial Decree of April 26, 2020). After the suspension imposed by the Government as of March 23rd, as part of the measures to combat the Covid-19 epidemic, Marzocchi Pompe had already partially resumed its production activities on April 14th, in order to ensure the continuity of the supply chains of the activities listed in Annex 3 of the Prime Ministerial Decree of April 10th, 2020, pursuant to art. 2, paragraph 3 of the decree itself.

The Company also informs that it has long since implemented, even in advance, the preventive measures to protect workers provided for in the Security Protocol, and that smart working methods are adopted where possible for areas that can operate remotely.

Gabriele Bonfiglioli, CEO of Marzocchi Pompe commented: *"Despite the difficult situation we are all experiencing, even in recent weeks we have seen encouraging signs from our customers. Once again I would like to thank our entire team, which has shown itself to be compact and ready to face, as always, and even more than ever, this phase of restarting with great enthusiasm and dedication.*

We are certain that our Shareholders will continue to be at our side and that the path will give us much satisfaction. After the long-distance talks that followed the publication of the 2019 results, Marzocchi Pompe will attend the "AIM Conference" that will be held in virtual mode on May 25th: it will be another important opportunity to meet institutional Investors and to discuss the current scenario".

Finally, the Company specifies that, for stock exchange purposes, the dividend approved by the Shareholders' Meeting on 27 April 2020 is to be considered as ordinary dividend.

Marzocchi Pompe S.p.A.

Marzocchi Pompe is a leading company in the design, production and marketing of high-performance gear pumps and motors, which are used in various fields: industrial, mobile and automotive. 2019 closed with sales of approximately € 40 million. Founded in 1949, it is controlled by the Marzocchi family, which holds the majority of the shares and is present in the company with Paolo Marzocchi, President, and his son Carlo, in the Technical Area. The shareholder also includes CEO Gabriele Bonfiglioli and four other managers. The production is carried out entirely in Italy in the two locations of Casalecchio di Reno (BO) and Zola Predosa (BO). Marzocchi Pompe is present in over 50 countries through an international distribution network.
